

SAFARI WORLD

Little Hands. Big Discoveries.

A Joyful Parent–Child Summer Experience (Ages 1–2.5 Years)

The earliest years of childhood are filled with wonder. Tiny hands exploring colours, curious eyes discovering the world, and joyful moments shared with a parent.

Safari World is a thoughtfully designed **parent–child summer experience** where toddlers take their very first steps into learning through **play, movement, music, and sensory exploration** all within the comfort and security of a parent's presence.

This program gently introduces young children to **group experiences**, while nurturing their natural curiosity, confidence, and love for discovery.
