A PRE SCHOOL WITH THE HEART OF A FAMILY

HOLDING HANDS: SAFARI WORLD

A parent-child program for infants
and toddlers.

A unique summer program designed for our youngest explorers (6 months – 2.5 years) and their parents. Safari World offers a joyful two-week journey filled with creativity, discovery, and bonding. Through hands-on activities, sensory experiences, and interactive storytelling, little ones will explore their world while developing fine motor skills, early communication, and social-emotional connections in a nurturing environment.

WEEK 1: ART ATTACK – MINI MASTERPIECES

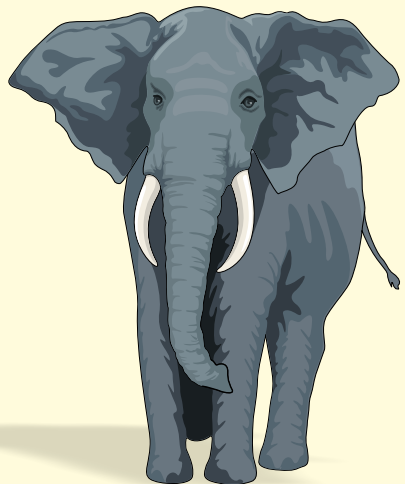

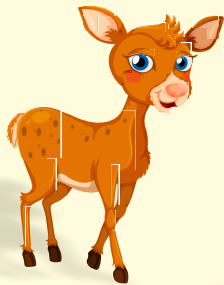

A week of creative exploration where little artists discover colors, textures, and shapes through playful, baby-friendly art activities. Parents and children will bond over artistic expression in a fun, sensory-rich setting.

- Sensory painting & color play
- Drama & movement inspired by famous artists
- Handprint & footprint keepsake art
- Messy play stations for exploration

WEEK 2: JUNGLE SAFARI – LITTLE EXPLORERS ON THE MOVE

A wild adventure inspired by the animal kingdom! Through imaginative play, music, and sensory activities, children will stomp like elephants, slither like snakes, and explore the jungle world.
